

# Burlington County COVID Testing Information

## Active Infection Swab Test

*This test shows if you're currently sick with COVID-19 (Current Infection).*

### Burlington County Health Department Mobile Clinics

Burlington County is no longer providing testing at the Westampton Complex. Instead, we will be taking testing out into the community.

Testing is open to all Burlington County Residents with or without symptoms. No doctor's note is required.

**Clinics are by appointment only, please call our call center at 609-726-7097 to make an appointment (Monday to Friday 10 AM to 2 PM)**

### **Thursday, August 6, 2020**

## Antibody Test

*This test detects antibodies to see if you have been exposed to COVID-19 (past infection). Antibody test will not tell you if you have immunity.*

### **LabCorp**

Individuals have the ability to receive the COVID-19 IgG antibody test from their doctor, in person or through a telemedicine program, and now directly using [www.LabCorp.com/antibody-testing](http://www.LabCorp.com/antibody-testing).

### **Quest**

You can make an appointment at a Quest patient service center for an immune response test, <https://appointment.questdiagnostics.com/patient/confirmation>. However, your doctor must have submitted an order for your test or you must have purchased one through QuestDirect.
