

PEMBERTON TOWNSHIP

2020 BAGGED LEAF COLLECTION

- ❖ Bagged leaves and pine needles must be placed at the edge of the road between Saturday and 6:00AM of the first collection date in your area. Please note that if you set your bags at the road prior to Saturday you may be subject to a local fine.
- ❖ Grass and trash must NOT be mixed in with leaves and pine needles.
- ❖ Please place your bags along the edge of the road upside down, with the tied end facing down. This will help prevent rain from leaking into the bags.
- ❖ Each bag shall weigh 30 lbs or less. We will not collect bags that exceed 30 lbs.
- ❖ Once the leaf collection crew has been through your area they will not be authorized to return to your area for leaf collection.
- ❖ If you miss the collection period in your area, you may deliver your leaves and pine needles to the Public Works Yard.
